WASHINGTON

March 20, 1958

Dear Allen:

I have received the attached original letter from the Bureau of Public Information of the American Latvian Youth Association.

Because of your interest in the field of minority groups, I thought I should find out from you whether I should respond to this communication and if so what you thought should be said. Perhaps it is not necessary to answer it at all. On the other hand, you might think it desirable merely to send a one-sentence acknowledgment of receipt.

Sincerely yours,

*RC*

Special Assistant  
to the President

The Honorable Allen W. Dulles, Director

Dear Bobby:

I have your letter of 20 March concerning the correspondence you received from the American Latvian Youth Association.

The American Latvian Youth Association which claims to have some 3,000 members is strongly anti-Communistic. I see no reason why the letter from the Association should not be answered and would think a very brief acknowledgment would be sufficient. The letter from the Association and the statement "Strategy for Survival" are returned herewith.

Sincerely,

SIGNED

Allen W. Dulles  
Director
